

THORSON

ROCKY MOUNTAIN

Amphenol[®]

Amphenol Aerospace and Industrial. Interconnect solutions for mil/aero, industrial, and high-reliability applications. Connectors, filters, flex, cables, terminal blocks, backplanes, etc.
www.amphenol-aerospace.com and www.amphenol-industrial.com

The world leader in thermal materials and thermal management technology.
www.bergquistcompany.com

Cornell Dubilier. A premier supplier of aluminum electrolytic, DC polyester, AC and DC polypropylene film and mica capacitors.
www.cde.com

Data Device Corporation. High reliability interface components and card solutions for industrial and military applications.
www.ddc-web.com

e2v

High reliability microprocessors and memory products for mil/aero applications. Advanced cameras and imaging products.
www.e2v.com

Low-NRE, low-cost, quick-turn ASIC and SoC products. FPGA-like development, 5 week turnaround, and significant power and cost reductions.
www.easic.com

International
IRF Rectifier

Power and motor technology products serving consumer, industrial, and Military/Space applications.
www.irf.com

The world's leading provider of circuit protection solutions for over-current and over-voltage threats.
www.littelfuse.com

A world leader in memory products. DRAM components and modules, NAND and NOR Flash, SSD's, and other innovative standard and custom memory solutions.
www.micron.com

Complete portfolio of standard and custom touchscreen products. Capacitive, resistive, matrix, and touch window products.
www.panjittouchscreens.com

Magnetic components for power, networking, and telecom applications. Consumer connectors for SATA, USB, RJ45, 1394, HDMI.
www.pulseeng.com

SEOUL SEMICONDUCTOR

One of the largest LED producers and broadest product portfolios. Chip LEDs, Top LEDs, BLU, high power (greater than 1W to 10W+) and the world's first direct AC LED.
